DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Allowable Subject Matter

2. Claims 7-14 and 34-37 are allowed.
3. The following is a statement of reasons for the indication of allowable subject matter: In view of the certified translation filed March 7, 2006, the Toyoda patent (US 6,932,920) is no longer a proper prior art.

Response to Arguments

4. Applicant argued that the process claims must be rejoined if the product claims are found allowable in accordance to MPEP 821.04. However, for the non-elected process claims to be rejoined with the allowable product claims, the process claims must depend on or otherwise include all limitations of the allowable product claims. Here, the process claims are independent and do not include all limitations of the product claims. Therefore, rejoinder is not available.
5. This application is in condition for allowance except for the presence of claims 16-33 directed to an invention non-elected with traverse in the reply filed on May 18, 2005. Applicant is given ONE MONTH or THIRTY DAYS from the date of this letter, whichever is longer, to cancel the noted claims or take other appropriate action (37 CFR 1.144). Failure to take action during this period will be treated as authorization to cancel the

noted claims by Examiner's Amendment and pass the case to issue. Extensions of time under 37 CFR 1.136(a) will not be permitted since this application will be passed to issue.

The prosecution of this case is closed except for consideration of the above matter.

6. Any inquiry concerning this communication or earlier communications from the examiner should be directed to H. T. Le whose telephone number is 571-272-1511. The examiner can normally be reached on 10:00 a.m. to 6:30 p.m., Mondays to Fridays.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Carol Chaney can be reached on 571-272-1284. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
